Questions?
I'm just asking
bro

We learn about life through questions.

The more we question, the better answers we get.

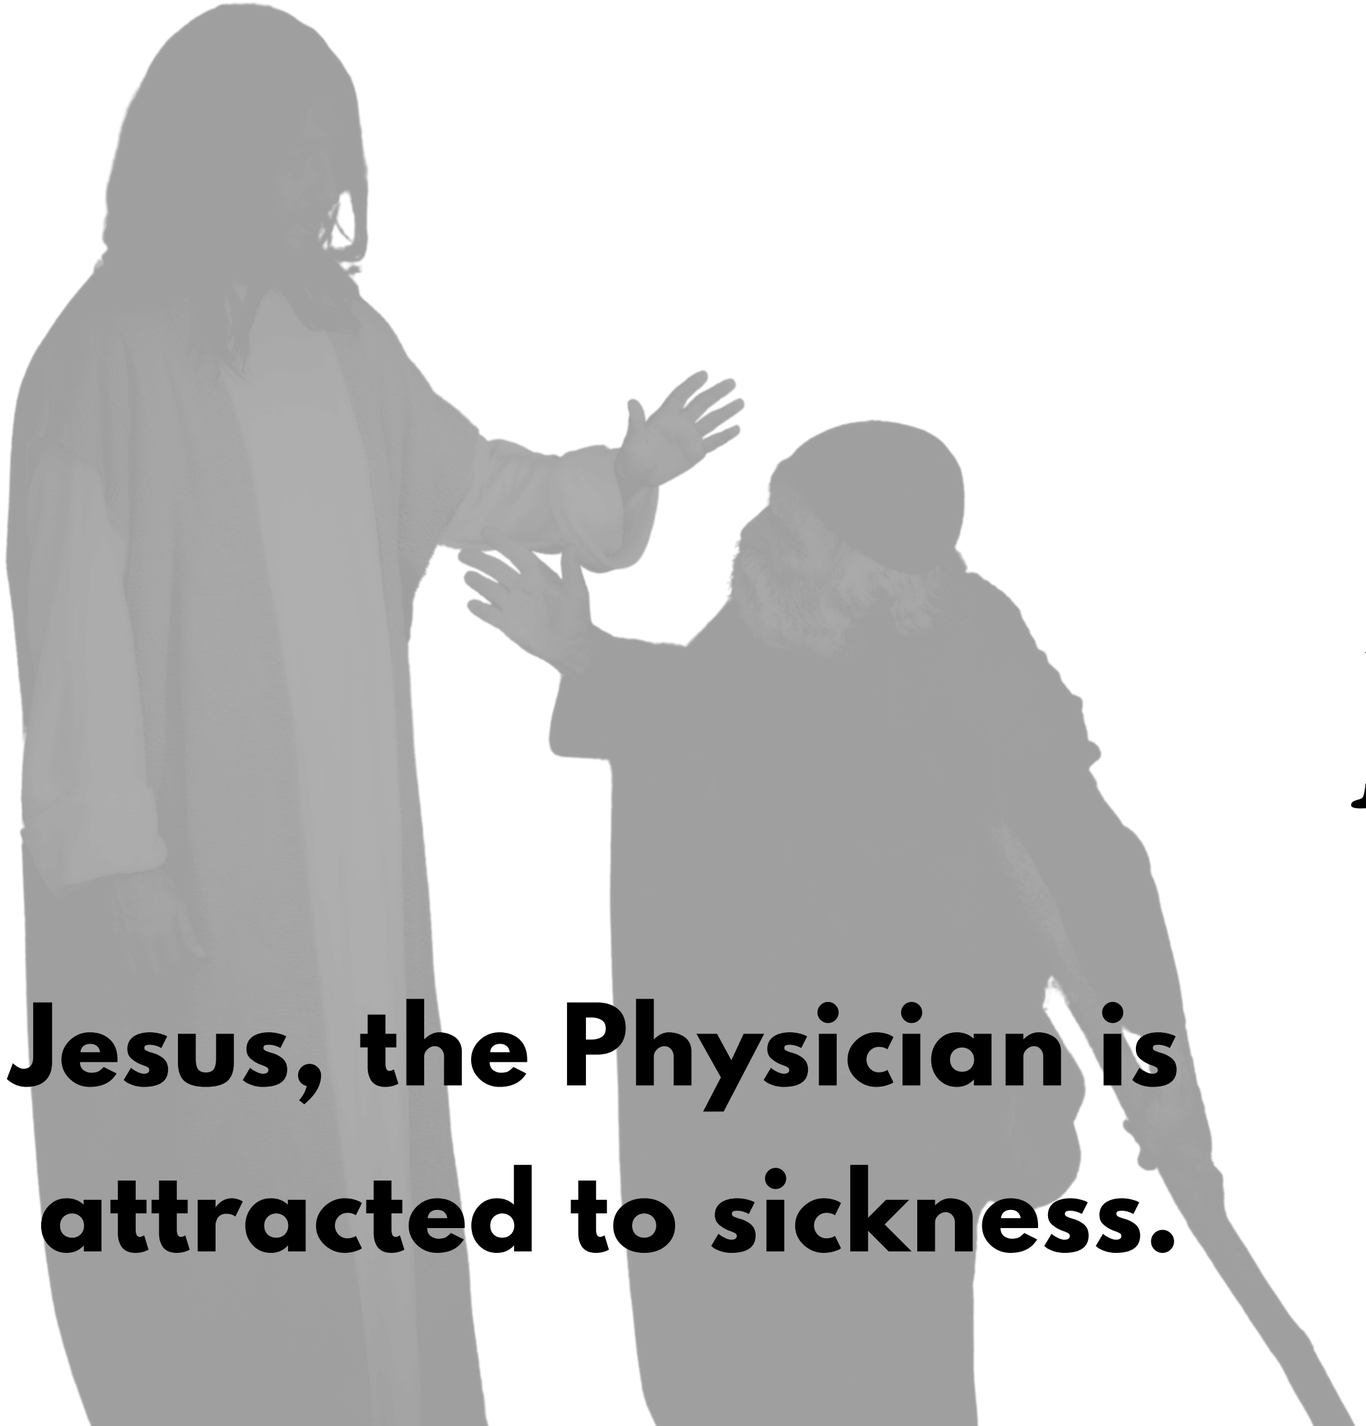

The quality of our lives depends on questions we ask.

Questioning makes you open.

Questioning makes you wiser.

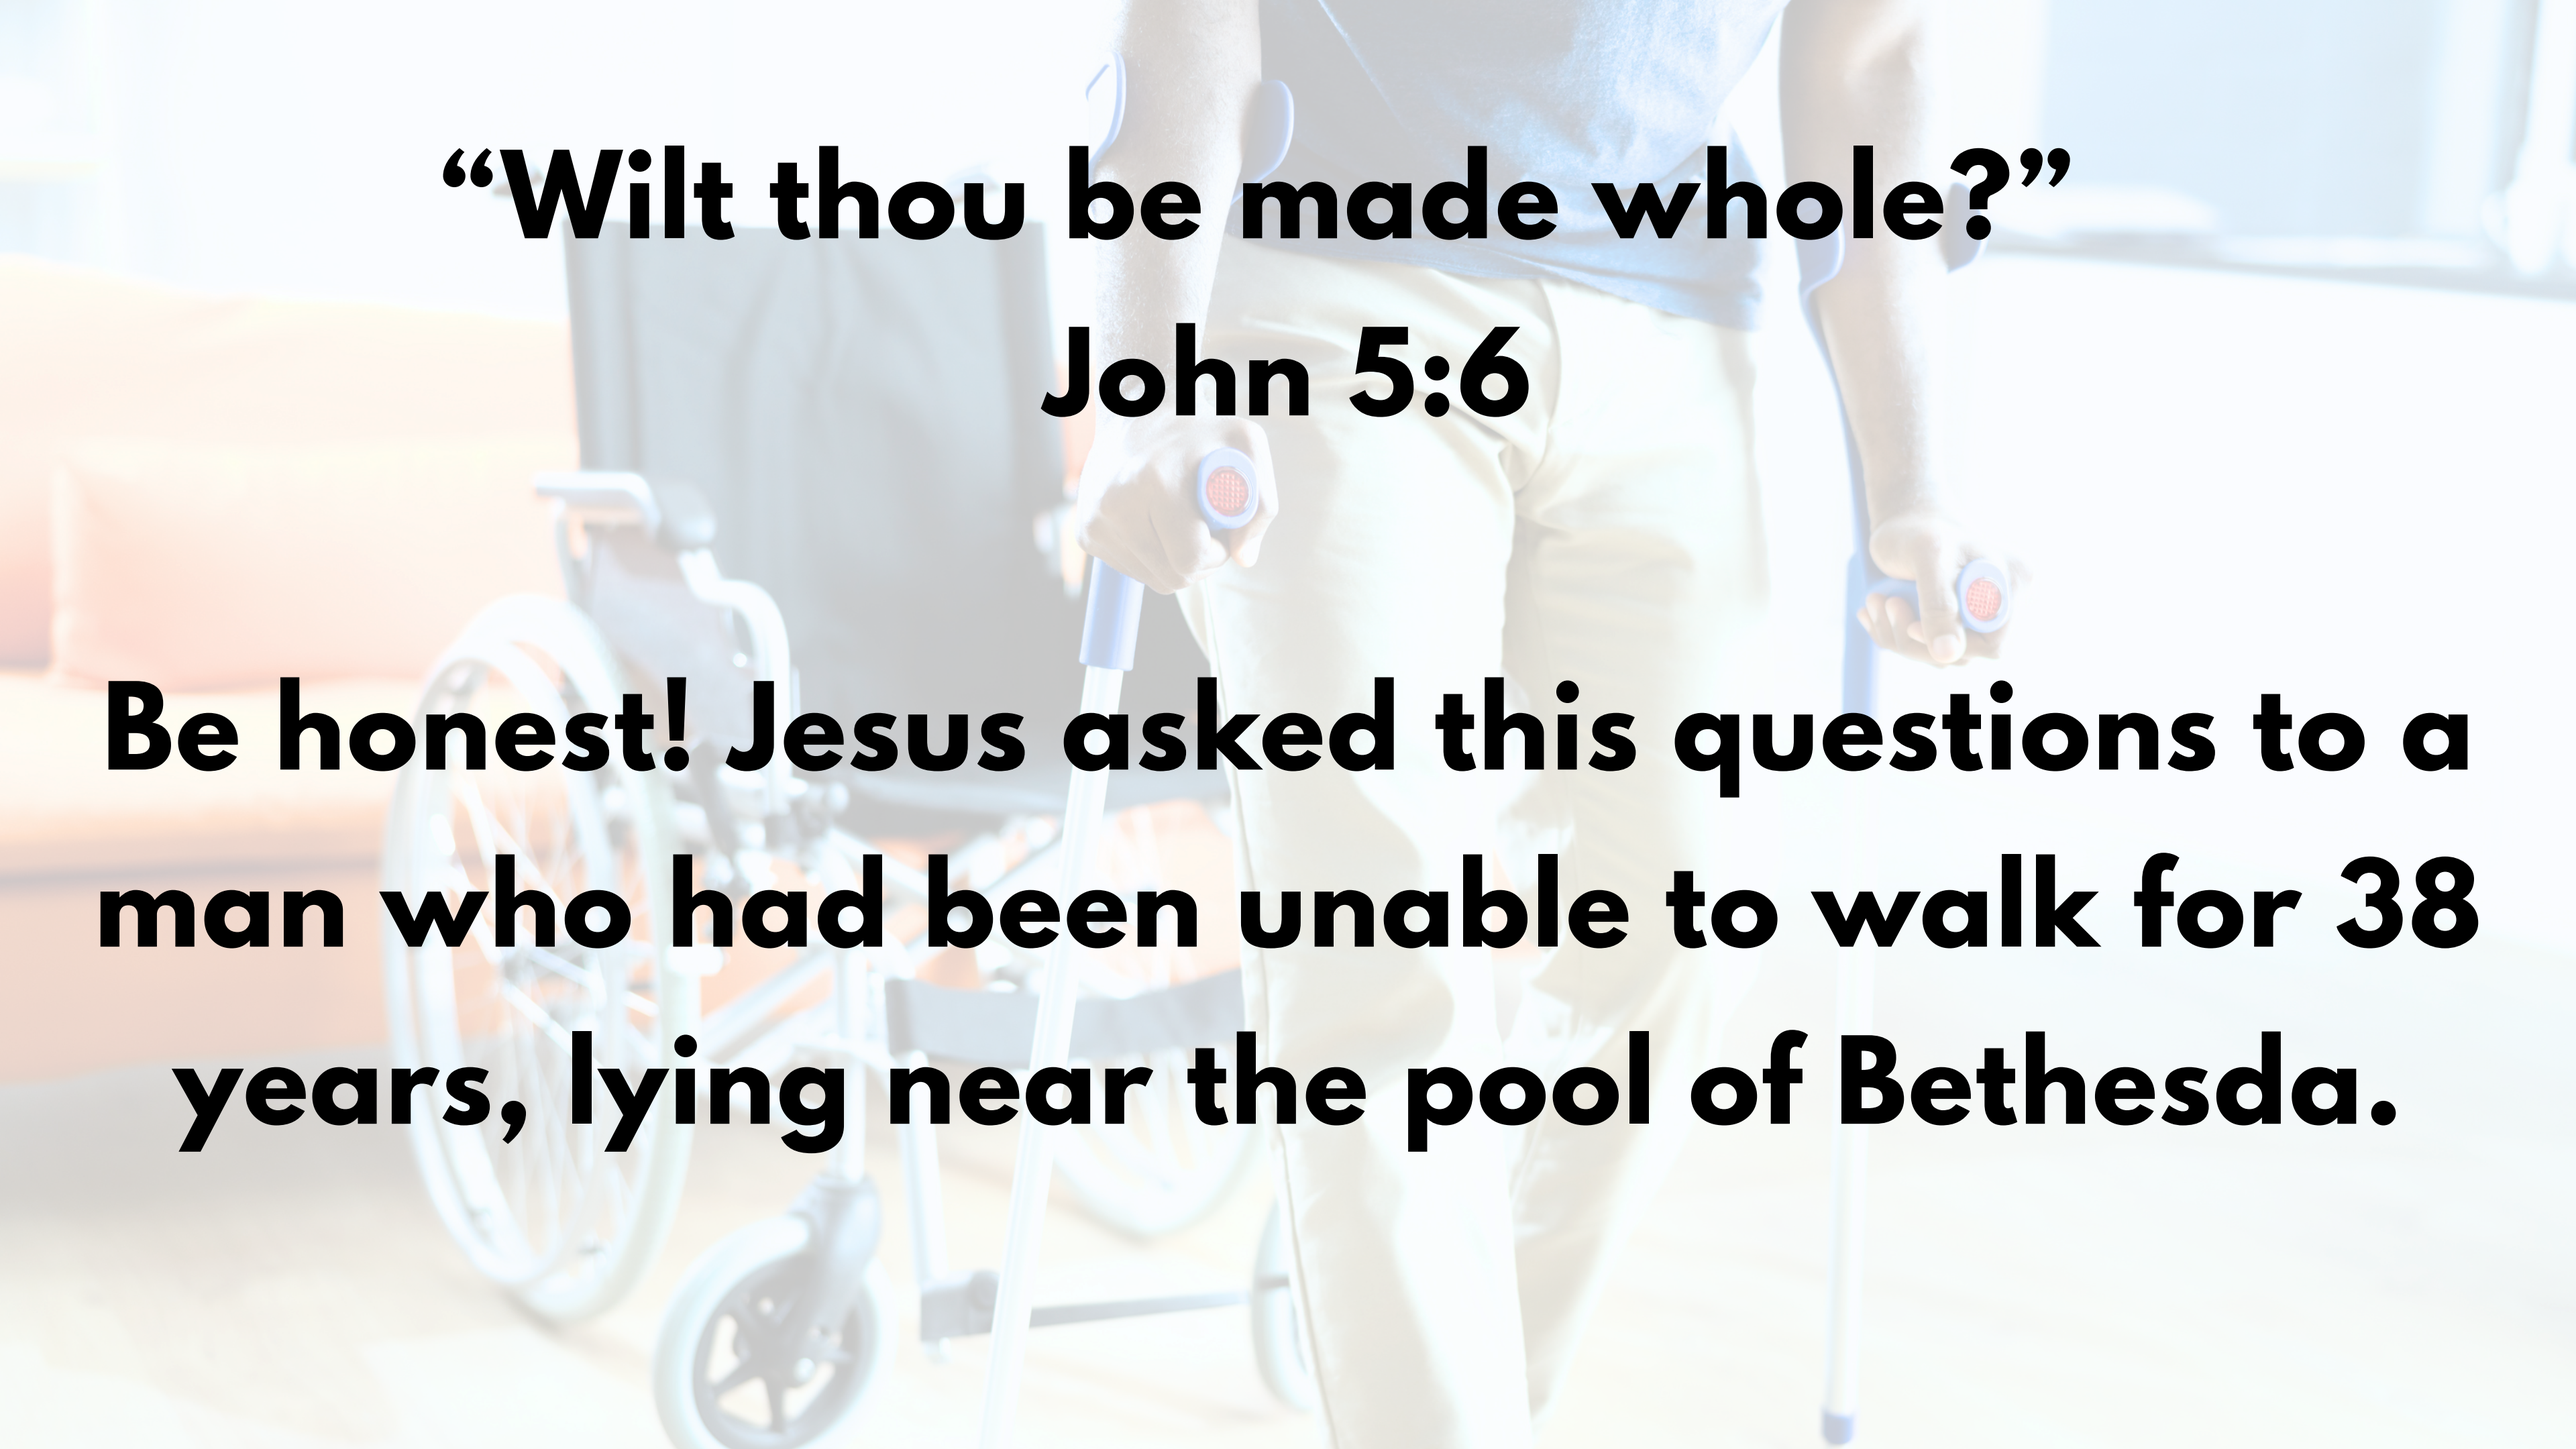

Asking the right questions creates clarity.

The right questions may precede healing and deliverance.

Jesus, the Physician is attracted to sickness.

“Wilt thou be made whole?”
John 5:6

Be honest! Jesus asked this questions to a man who had been unable to walk for 38 years, lying near the pool of Bethesda.

Matthew 9:12

“They that be whole need not a physician, but they that are sick.”

Isaiah 1:5-7

The whole body is sick!
“…The whole head is sick, and the whole heart faint. From the sole of the foot even
there is no soundness in it…”

Because Judah is deep in rebellion…it's like their whole body is sick!

Get out of your head.

“The heart is deceitful above all things and beyond cure. Who can understand it?”

Jeremiah 17:9

Matthew 9:10-13

10 And as Jesus reclined at table in the house, behold, many tax collectors and sinners came and were reclining with Jesus and his disciples. (who was there first?)

11 And when the Pharisees saw this, they said to his disciples, “Why does your teacher eat with tax collectors and sinners?”

12 But when he heard it, he said, “Those who are well have no need of a physician, but those who are sick.

13 Go and learn what this means: ‘I desire mercy, and not sacrifice.’ For I came not to call the righteous, but sinners.”
